

Directions to the Summer Feeling am Unistrand 2024

Event location

The Summer Feeling am Unistrand 2024 will take place at the campus roundel of the [University of Bayreuth](#).

Travelling to sports events causes a considerable environmental impact due to the high volume of traffic and emissions, especially from individual car traffic, which leads to air pollution and the release of greenhouse gases such as CO₂. We want to take responsibility for a sustainable event and provide you with information on environmentally friendly travel to the [Summer Feeling am Unistrand 2024](#) in this document. By using these environmentally friendly transport options, you will help to reduce the environmental impact, reduce traffic and minimise CO₂ emissions. Take an active part in our commitment to a sustainable future and combine the joy of sport with a responsible behaviour. Various environmentally friendly transport options are available for your travel to the event:

With alternative transportation options

- FlixBus (further information can be found [here](#))
- BlaBlaCar (further information can be found [here](#))

By train

Bayreuth main station is centrally located. Regular bus connections to the University of Bayreuth are available from both the main train station as well as the central bus station (ZOH) (duration approx. 15-20 minutes). For information on train connections, click [here](#).

By bus

To reach the campus roundel of the University of Bayreuth, we recommend taking the bus lines [306](#) (in the direction of the campus), [316](#) (in the direction of the campus) or [304](#) (in the direction of the university) to the bus stop "Uni-Verwaltung". A single ticket from the city to the campus is available for €2.20 (price level D) and can either be paid in cash to the bus driver or purchased online (for €1.85).

By bike

The University of Bayreuth is easy to reach by bike, as Bayreuth is a bike-friendly city with short distances. In addition, sufficient bicycle stands are available around the campus roundel.

By car

The University of Bayreuth is located in the south of the city, only about 900 metres from the A9 motorway junction (exit Bayreuth-Süd). Signs marked "UNIVERSITÄT" will show the way to the campus, if you are coming from the motorway or the city centre. For an environmentally friendly journey, we recommend that you organize car pools with friends, family or other participants to travel to the event together. By sharing a vehicle, you reduce the number of cars on the road and therefore lower CO₂ emissions per person.

Address: Universitätsstraße 30, 95447 Bayreuth

On our website you will find more information about travelling to the [Summer Feeling am Unistrand 2024](#), including environmentally friendly transport options.
